

# 2240 series COUNTING SCALES

- Second Scale Input Standard with Dual Display for Count and Weight
- **QuickCount** for Simplified Operation

Cardinal Scale's 2240 series counting scales feature two separate displays: one for weight and the other for piece count and data input. This means that both weight and count can be viewed simultaneously.

The **QuickCount** feature incorporates four, brightly-colored yellow QuickCount keys that are centrally grouped for accessibility. This provides fast and easy basic counting operations with the COUNT, SAMPLE, ZERO, and PRINT keys.

# High-Resolution Precision Counting

Cardinal 2240-100 counting scale connected to EB-150 scale base and P220 label printer

## 2240 series COUNTING SCALES

Ranging in use from permanent installations to seasonal rentals, Cardinal's 2240 series counting scales are ready to provide accurate count based on weight. Incredible power and proven American-made technology add up to precision accuracy with 300 12-digit ID memory, each with its own tare weight, average piece weight, and accumulator. The 2240 series, with an internal resolution of 1,000,000 graduations, retains the last average piece weight and automatically recalculates the average piece weight when the sample size is changed.

#### Cardinal P220 Label Printer

The P220 prints ID Number, Count, Time, Date, Gross or Net Weight with Units, plus it can record bar codes.

For streamlining your operations, Cardinal's 2240 series offers RS-232 for simultaneous label printing and bar code scanning. Additionally, you may connect a bench or floor scale via the second scale input. The remote scale may be used either as the sampling scale, the bulk scale, or both.

Model Number	Capacity	Metric Capacity
2240-5	5 lb x 0.0005 lb	2 kg x 0.0002 kg
2240-10	10 lb x 0.001 lb	5 kg x 0.0005 kg
2240-20	20 lb x 0.002 lb	10 kg x 0.001 kg
2240-50	50 lb x 0.005 lb	20 kg x 0.002 kg
2240-100	100 lb x 0.01 lb	40 kg x 0.005 kg

Platform Size	14.5 in W x 8.25 in D / 37 cm W x 21 cm D
Overall Dimensions	14.5 in W x 13.25 in D x 4 in H / 37 cm W x 34 cm D x 10 cm H
Display	Count/Data: 0.6 in / 15 mm H red LED 6-character Weight: 0.6 in / 15 mm H red LED 5-character
Display Resolution	1 part in 10,000
Internal Resolution	1,000,000 graduations
Count Capacity	999,999 pieces
Power	115 VAC 50/60Hz
Operating Temp.	14° F to 104° F / -10° C + 40° C
